## About AISECT University

AISECT University is located in the small town of Hazaribag in Jharkhand. We started our third university in Hazaribag because of its stunning landscape and easy connectivity with rural Jharkhand. University's philosophy is based on complete growth, ground-breaking work & researches and impactful engagement of all stakeholders. Our universities make every effort for provide a skill-based environment to each student.

The AISECT Group of Universities is India's prominent higher education group that believes in establishing global level but affordable universities in those places where there is a dire need for quality higher education system.

## Vision

AISECT University has been established as an education platform that believes in conveying world-class education that is based on research and practical training to students. This facilitates them to instill necessary skills and information needed to create their identity within the complex and ever dynamically skilled world.

## Mission

- To create a research driven environment
- To ignite inventive approaches and offer proper leadership to prepare industry ready professionals
- To strengthen ties with prominent academic and corporate bodies across the world
- To be regarded as an avant-garde institution
- To contribute towards the social and economic development of the country

## From the Desk of The Chancellor

AISECT University has been launched with a vision to transform its students into competent, inspired and responsible professionals. The university aims to deliver not only world-class education in state-of-the-art facilities and infrastructure, but also an environment for holistic learning that will help groom students into confident and smart individuals.

The university will benefit from the wide range of industry linkages of the founding Education Group – AISECT. We are confident that final year students will receive ample opportunities for successful placements in reputed companies across India. We welcome all prospective students to visit the campus and interact with our staff. Come and join us in our effort to build a generation of exceptional individuals to help accelerate the growth of the country.
